

If you share the same passion as us to be part of the aviation industry and aspire to have a challenging and fulfilling career, we welcome you to join us:

EXECUTIVE ENGINEER (Avionics)

RESPONSIBILITIES

- Analyse aircraft systems and avionics defects, identify failure trends and root causes and recommend corrective actions
- Engage aircraft manufacturers and vendors on development of resolutions to improve reliability of the aircraft and components
- Evaluate service bulletins and recommend improvement modifications from vendors
- Provide technical support to internal operating divisions engaged in MRO activities

REQUIREMENTS

- Singapore citizen
- Honours Degree in Electrical Engineering
- Excellent analytical, interpersonal, and communication skills
- Relevant experience in aviation engineering and regulatory design approval is preferred

Applicants may be placed in the position of Assistant Manager or Executive depending on experience and qualification.

Individuals who are looking for an exciting career in the aerospace industry are invited to email their detailed resume to **siaec_recruit@singaporeair.com.sg**.

Please note that only short-listed candidates will be notified.
