

Heavy Maintenance Singapore Services (HMS Services), a joint venture between SIA Engineering Company (SIAEC) and Airbus, leverages on the synergy of SIAEC's extensive maintenance experience and expertise with Airbus' depth of technical and engineering knowledge as an airframe original equipment manufacturer. Airbus will develop the joint venture as its Centre of Excellence for Airbus A380 and A350 Heavy Maintenance in Asia, which will complement SIAEC's extensive airframe service offerings in Singapore and the Philippines.

As part of our growth plan, we are constantly looking out for talented, hardworking and energetic individuals who thrive on challenges and enjoy working in a fast-paced and dynamic environment. If you are looking for an exciting and fulfilling career, we are looking for suitable individuals to join us for the position of:

Technical Services Engineer

Position 1: Structures

Position 2: Aircraft Systems

Job Description

- Provide efficient, quality and cost effective support to the aircraft maintenance production lines for all defects reported in the respective areas for the relevant ATA chapters
- Support maintenance, repairs, conversion, inspections, modification and retrofit campaigns
- Provide engineering approvals to cover deviation to the embodiment plan by liaising with the manufacturer or supplier to provide the required technical answers
- Report all defects that are beyond defined criteria to the manufacturers/suppliers and authorities
- Analyze all maintenance data and defects reported by the production lines and to identify recurring findings and to provide corrective actions and technical solutions/instructions
- Put in place pre-defined solutions, including kit definitions to improve the maintenance planning process

Requirements

- Applicants should have a good Honours Degree in Engineering with at least 5 years of relevant experience in aircraft maintenance activities, engineering and airline operations
- Possess strong leadership and operational skills with an analytical and innovative mind
- Self-starter with excellent communication and interpersonal skills
