

*If you share the same passion as us to be part of the aviation industry and aspire to have a challenging and fulfilling career, we welcome you to join us:*

## **AIRCRAFT MAINTENANCE LICENSE TRAINEE**

### **PROGRAMME**

Selected candidates will undergo a 44-month training programme leading to the award of a professional license in aircraft maintenance.

Through classroom and practical training, you will acquire the skills to service and maintain aircraft, advanced engines, sophisticated flight computer systems and electronic flight instrumentation. Candidates will receive generous training allowance during the duration of the training.

On successful completion of training, you will be appointed as a Licensed Aircraft Engineer (LAE) and you can look forward to a rewarding career in the aerospace industry with opportunities for overseas postings and career progression.

Outstanding LAEs will have the opportunity to progress to executive and management positions.

### **REQUIREMENT**

- Singapore Citizen
- Degree in any discipline, preferably in Engineering
- Medically and physically fit
- Good hearing and colour vision

Individuals who are looking for an exciting career in the aerospace industry are invited to email their detailed resume to **[siaec\\_recruit@singaporeair.com.sg](mailto:siaec_recruit@singaporeair.com.sg)**.

*Please note that only short-listed candidates will be notified.*
