

Heavy Maintenance Singapore Services (HMS Services), a joint venture between SIA Engineering Company (SIAEC) and Airbus, leverages on the synergy of SIAEC's extensive maintenance experience and expertise with Airbus' depth of technical and engineering knowledge as an airframe original equipment manufacturer. Airbus will develop the joint venture as its Centre of Excellence for A380 and A350 Heavy Maintenance in Asia, which will complement SIAEC's extensive airframe service offerings in Singapore and the Philippines.

As part of our growth plan, we are constantly looking out for talented, hardworking and energetic individuals who thrive on challenges and enjoy working in a fast-paced and dynamic environment. If you are looking for an exciting and fulfilling career, we are looking for suitable individuals to join us for the position of:
