SIA ENGINEERING COMPANY RESTORES WAGE CUT AND NO-PAY LEAVE

In June 2009, SIA Engineering Company (SIAEC) had implemented a wage cut of between 10 to 20% for all of its Management staff. This was followed by the implementation of no-pay leave for all staff with effect from 1 July 2009.

While the Company will continue to manage manning levels and costs, it will restore the wage cuts and discontinue the no-pay leave with effect from 1 January 2010.
