

SIA ENGINEERING COMPANY WINS AIRLINE ECONOMICS MAGAZINE'S ASIA-PACIFIC MRO OF THE YEAR AWARD 2022

SINGAPORE, 17 May 2022 - SIA Engineering Company Limited ("SIAEC" or the "Company") is honoured to be awarded the Asia-Pacific MRO of the Year Award by Airline Economics magazine for the second consecutive year. The accolade is part of Airline Economics magazine's annual Aviation 100 Awards, which recognises leading companies in the aviation industry across various award categories including Maintenance Repair and Overhaul (MRO), lessors and airlines.

SIAEC emerged as the 2022 winner in the Asia-Pacific MRO of the Year category following a voting process that involved industry peers from across a range of aviation-related sectors, including airlines, lessors and Original Equipment Manufacturers. Further to the voting, SIAEC was conferred the award based on its improved financial performance, Transformation and Lean initiatives, new and renewed third-party customer contracts, new capabilities and services, key strategic partnerships and sustainability initiatives.

Mr Ng Chin Hwee, Chief Executive Officer of SIAEC, said, "We would like to express our deepest appreciation to our customers, partners and stakeholders for their unwavering support and trust in SIAEC's technical capabilities and contributions to the aviation community. We would also like to thank our staff for their contributions, solidarity and resilience in rising above the challenges faced by the aviation industry. As we jointly navigate the path to recovery, this recognition gives fresh impetus to our efforts in making SIAEC a trusted MRO partner of choice."

To continue creating value for customers, partners and stakeholders, we will accelerate our Transformation efforts, invest in capabilities and staff, and expand our suite of MRO solutions across our MRO network.

About SIA Engineering Company

(Company Registration No. 198201025C)

www.siaec.com.sg

SIA Engineering Company (SIAEC) is a major provider of aircraft maintenance, repair and overhaul (MRO) services in Asia-Pacific. SIAEC has a client base of more than 80 international carriers and aerospace equipment manufacturers. It provides line maintenance services at more than 25 airports in 7 countries, as well as airframe, engine and component services on some of the most advanced and widely used commercial aircraft in the world. The 22 subsidiaries and joint ventures with original equipment manufacturers and strategic partners in Singapore, Hong Kong, Indonesia, Japan, Philippines, United States of America and Vietnam increase the depth and breadth of the Company's service offerings. SIAEC has approvals from 27 national aviation regulatory authorities to provide MRO services for aircraft registered in the United States of America, Europe, China and other countries.
