

SIAEC WELCOMES HONG KONG AIRLINES AS NEW SHAREHOLDER IN HONG KONG LINE MAINTENANCE JOINT VENTURE

SINGAPORE, 18 January 2018- Mainboard-listed SIA Engineering Company Limited (“**SIAEC**”) today announced that it has, together with its joint venture partners Malaysia Airlines Berhad (“**MAB**”), PT Garuda Indonesia (Persero) TBK (“**GA**”) and Royal Brunei Airlines Sdn Bhd (“**RBA**”), collectively the “**Existing Shareholders**”, entered into an agreement with Hong Kong Airlines Ltd (“**HKA**”) for HKA to subscribe for new shares in Pan Asia Pacific Aviation Services Limited (“**PAPAS**”).

HKA is a full-service carrier based in Hong Kong and currently operates a fleet of 35 aircraft. HKA is a major customer of PAPAS and its entry as a shareholder will further strengthen PAPAS’ growth.

PAPAS is a Hong Kong-based joint venture between SIAEC (47.06%), MAB (23.53%), GA (17.65%) and RBA (11.76%), which provides a full suite of line maintenance, ramp handling and other ancillary services at Hong Kong International Airport.

Pursuant to the agreement between HKA and the Existing Shareholders, HKA will become a 15% shareholder of PAPAS through a subscription of new shares (“**First Tranche**”). SIAEC’s stake in PAPAS will be 40% upon completion of the First Tranche. Subject to the fulfilment of certain conditions, HKA has the right to further increase its stake in PAPAS to 30% (“**Second Tranche**”).

The consideration payable in cash by HKA for the First Tranche shares is HK\$21.7 million (about S\$3.7 million) and the consideration payable in cash by HKA for the Second Tranche shares will be in the range of HK\$23.5 million to HK\$33.5 million (about S\$4.0 million to S\$5.7 million). The consideration was determined on an arm’s length basis, validated by an independent valuer appointed by PAPAS, which was based on discounted cash flow methodology. Completion of the First Tranche and the Second Tranche is further subject to the satisfaction (or waiver) of the conditions precedent contained in the agreement with HKA.

The transaction is not expected to have a material impact on the net tangible assets per share or earnings per share of SIAEC for the financial year ending 31 March 2018. None of the Directors of SIAEC has any interest, direct or indirect, in the transaction.

About SIA Engineering Company

(Company Registration No. 198201025C)

www.siaec.com.sg

SIA Engineering Company (SIAEC) is a major provider of aircraft maintenance, repair and overhaul (MRO) services in Asia-Pacific. SIAEC has a client base of more than 80 international carriers and aerospace equipment manufacturers. It provides line maintenance services at 37 airports in 8 countries, as well as airframe and component services on some of the most advanced and widely used commercial aircraft in the world. Apart from MRO services, SIAEC also offers a comprehensive and integrated suite of solutions under its fleet management services.

The 26 ventures with original equipment manufacturers and strategic partners in Singapore, Australia, Hong Kong, Indonesia, Japan, Philippines, United States, Taiwan and Vietnam increase the depth and breadth of the Company's service offerings. SIAEC has approvals from 26 national aviation regulatory authorities to provide MRO services for aircraft registered in the U.S., Europe, China and other countries.

About Malaysia Airlines Berhad

Malaysia Airlines Berhad is the national flag carrier of Malaysia, and a member of the oneworld airline alliance. Headquartered in Sepang, Malaysia, Malaysia Airlines operates flights from Kuala Lumpur International Airport and from secondary hubs in Kota Kinabalu and Kuching. The airline currently flies about 40,000 passengers a day to about 60 destinations in 22 countries worldwide around Asia, Europe and Australasia.

About PT Garuda Indonesia (Persero) TBK

Garuda Indonesia is the flag carrier of Indonesia and currently serves more than 86 destinations worldwide and various exotic locations in Indonesia. With the number of flights reaching 600 flights per day, Garuda Indonesia provides the best service through the concept of "Garuda Indonesia Experience" which prioritises hospitality and cultural richness of Indonesia.
