

SIA Engineering Company Signs Maintenance Agreement with Hawaiian Airlines

SINGAPORE, 24 September 2021 – Mainboard-listed **SIA Engineering Company Limited** (“**SIAEC**”) is pleased to announce that it has signed an agreement with Hawaiian Airlines Inc. (“**Hawaiian Airlines**”) to expand airframe maintenance services for its Airbus A330-200 fleet.

SIAEC currently has existing airframe maintenance services agreements with Hawaiian Airlines for its A330 aircraft, covering heavy checks and paintings. Under the new agreement, SIAEC will be performing 12-year checks commencing in March 2022.

The maintenance services will be undertaken by SIAEC at its facility in Singapore.

Hawaiian Airlines is Hawaii's biggest and longest-serving airline. It currently offers approximately 130 flights within the Hawaiian Islands, and services between Hawaii and 16 U.S. gateway cities as well as Tahiti, American Samoa, Japan and South Korea.

Mr Ng Chin Hwee, SIAEC Chief Executive Officer, said, “We are delighted to extend additional maintenance services to Hawaiian Airlines. The extension is a testament to the successful relationship between the two companies and demonstrates Hawaiian Airlines’ vote of confidence for our airframe maintenance services. With our strong technical expertise and vast maintenance experience, we are well positioned to provide quality services and engineering support for the airline’s A330 fleet.”

Mr Jim Landers, Senior Vice President, Technical Operations at Hawaiian Airlines, said: “This agreement is a testament to the demonstrated performance of SIAEC on work performed to date on our A330 fleet. In a maintenance provider, we expect and rely on timeliness, quality, and value. SIAEC has not only delivered on all three but additionally demonstrated flexibility and responsiveness through the challenges of the COVID turmoil. We are confident in our choice of SIAEC as a long-term provider and partner.”

The transaction is not expected to have a material impact on the earnings per share or the net tangible assets per share of SIAEC for the financial year ending 31 March 2022. None of the Directors of SIAEC has any interest, direct or indirect, in the transaction.

About SIA Engineering Company

(Company Registration No. 198201025C)

www.siaec.com.sg

SIA Engineering Company (SIAEC) is a major provider of aircraft maintenance, repair and overhaul (MRO) services in Asia-Pacific. SIAEC has a client base of more than 80 international carriers and aerospace equipment manufacturers. It provides line maintenance services at more than 25 airports in 7 countries, as well as airframe and component services on some of the most advanced and widely used commercial aircraft in the world. Apart from MRO services, SIAEC also offers a comprehensive and integrated suite of solutions under its fleet management services.

The 23 subsidiaries and joint ventures with original equipment manufacturers and strategic partners in Singapore, Hong Kong, Indonesia, Japan, Philippines, United States and Vietnam increase the depth and breadth of the Company's service offerings. SIAEC has approvals from 26 national aviation regulatory authorities to provide MRO services for aircraft registered in the United States of America, Europe, China and other countries.
