Under the Programme, the Issuer may, subject to compliance with all relevant laws, regulations and directives, from time to time, issue euro medium term notes (the “**Notes**”). The aggregate nominal amount of Notes outstanding will not at any time exceed S\$1,000,000,000 (or the equivalent in other currencies), subject to increase under the Programme.

The Notes may bear interest at fixed, floating, variable or hybrid rates or may not bear interest. Subject to compliance with all relevant laws, regulations and directives, Notes may have maturities of such tenor as may be agreed between the Issuer and the relevant dealer(s) under the Programme.

The net proceeds arising from the issue of Notes under the Programme (after deducting issue expenses) will be used for general corporate purposes, including but not limited to refinancing of existing borrowings and financing of investments, acquisitions, general working capital and/or capital expenditure of the Issuer and its subsidiaries, or as otherwise specified in the applicable pricing supplement in relation to a particular issuance of Notes under the Programme.

Application has been made to the Singapore Exchange Securities Trading Limited (the “**SGX-ST**”) for permission to deal in and for the listing and quotation of any Notes which are agreed at the time of issue thereof to be so listed on the SGX-ST. Such permission will be granted when such Notes have been admitted to the Official List of the SGX-ST. There is no assurance that any application to the Official List of the SGX-ST for the listing of the Notes will be approved. Approval-in-principle from the SGX-ST, admission to the Official List of the SGX-ST and listing and quotation of any Notes on the SGX-ST is not to be taken as an indication of the merits of the Issuer, its subsidiaries, the Programme or such Notes.
