

SIA ENGINEERING COMPANY WINS AVIATION WEEK NETWORK'S ASIA-PACIFIC AWARDS 2022 ASIA MRO OF THE YEAR – AIRFRAME

SINGAPORE, 21 September 2022 - SIA Engineering Company Limited ("SIAEC" or the "Company") is honoured to be awarded the 2022 "Asia MRO of the Year – Airframe" Award by Aviation Week Network. The accolade is part of Aviation Week Network's MRO Asia-Pacific Awards, which recognises the distinguished work undertaken by MROs and those within the aviation industry across various award categories.

SIAEC was named the winner in the "Asia MRO of the Year – Airframe" category by a panel of judges, who reviewed and scored award submissions against criteria such as overall achievements, collaboration with partners, teamwork and marketing strategy.

Mr Ng Chin Hwee, Chief Executive Officer of SIAEC, said: "We would like to express our gratitude to Aviation Week Network and the judging committee for their recognition of our Airframe capabilities and performance. We would also like to thank our valued customers and partners for their continuing trust, support and collaboration. This recognition would not be possible without the teamwork of SIAEC's dedicated staff and their relentless efforts in making SIAEC a trusted MRO partner of choice."

To continue creating value for customers, partners and stakeholders, we will continue to seek opportunities to expand our capabilities and geographical presence in our pursuit of sustainable growth.

About SIA Engineering Company
(Company Registration No. 198201025C)
www.siaec.com.sg

SIA Engineering Company (SIAEC) is a major provider of aircraft maintenance, repair and overhaul (MRO) services in Asia-Pacific. SIAEC has a client base of more than 80 international carriers and aerospace equipment manufacturers. It provides line maintenance services at more than 25 airports in 7 countries, as well as airframe, engine and component services on some of the most advanced and widely used commercial aircraft in the world.

The 23 subsidiaries and joint ventures with original equipment manufacturers and strategic partners in Singapore, Hong Kong, Indonesia, Japan, Malaysia, Philippines, United States and Vietnam increase the depth and breadth of the Company's service offerings. SIAEC has approvals from 27 national aviation regulatory authorities to provide MRO services for aircraft registered in the United States, Europe, China and other countries.
